**Photographs of each donor must be submitted by Friday 17th May 2024 to sarah@traditionalherefords.net.
If you are not able to take high-quality (min. 300dpi) photographs, please use a professional cattle photographer, such as one of those listed on the THBC website.
Where donor animals are deceased, please contact sarah@traditionalhereford.net to discuss the presentation of these lots in the catalogue.**

Please provide any information that you would like to appear in the catalogue biography of this lot. This could include performance data such as birth/live weights of the animal(s) and/or their progeny, show titles, general characteristics, and so on. Please feel free to discuss this section with the sale organisers so that we can provide the most suitable bio for your lot(s).

ALL VENDORS PLEASE READ THESE NOTES BEFORE SUBMITTING ENTRIES

- A separate herd health declaration form must be submitted by each Vendor.
- Only Grade A/1 embryos will be accepted, and no more than three lots per bull (in the case of semen lots) or per mating (in the case of embryo lots) shall be put forward for sale. Please make your storage facility aware of the lots you are putting forward for sale. Where stored on farm, please indicate as such.
- Any lots sold privately within 35 days of the sale must be booked through the Auctioneers and the relevant commission paid.
- All semen or embryos will remain the responsibility of the Vendor until collection of the animal by the Buyer.
- All entries from UK Vendors must be from donors fully registered in the Traditional section of the Hereford Cattle Society Herdbook denoted by [*] following the name. Entries from overseas Vendors are also most welcome, although different registration rules may apply at the time of sale – please contact sale organisers to discuss.
- Please also read the Auctioneers Conditions of Sale for the full terms of the auction.
