Any female sold for breeding (excluding calves at foot) must be sire verified. Bulls (excluding calves at foot) must be sire verified and Hypotrichosis tested. All animals being sold as in-calf must have a positive PD from a licensed Veterinarian. No warranty as to the animal being In-Calf following the point of sale is given. The Vendor warrants that any bull sold (excluding bull calves at foot) is fertile and capable of natural service up to 16 weeks following the point of sale.

Notes:

- All entries will require a fee of £50 per lot.
- Cows with calves at foot will be considered one lot, otherwise all animals must be sold as individuals.
- Entries cannot be accepted after 5.00pm on the closing date, Friday 13th May 2022.
- All entries requiring a TB test must be tested within 28 days prior to the end of sale (i.e. on or after 27th June 2022).
- Vendors are requested to note that any lots sold privately within 35 days of the sale must be booked through the auctioneers and the relevant commission paid.
- Hammer price is inclusive of all costs with no commission charged to the buyer.
- All animals will remain the responsibility of seller until collection of the animal by the buyer.
- All entries (excluding calves at foot) from UK vendors must be fully registered in the Traditional section of the Hereford Cattle Society Herdbook denoted by [*] following the name. Entries from overseas vendors are also most welcome, although different registration rules may apply at the time of sale – please contact sale organisers to discuss.
- Payment must be received before any animal is collected. Payments are to be made to Denis Barrett Auctions by either electronic transfer or visa payment.
 - Please read the Auctioneers conditions of sale for the full terms of the auction.

I hereby certify that the foregoing particulars are, to the best of my knowledge, true and correct, and agree to abide by the rules and regulations issued by the sale organisers.
